6. To turn the SOS Alarm on or off, simply press the On/Off button on the left side of the handle. An alarm will sound.
7. Fold the cane by gently disconnecting the 3 parts.

SAFETY AND CARE:

1. Danger of suffocation – keep all packing materials away from children and animals.
2. Never look directly at the LED light beam and do not point the beam at other people or animals.
3. Keep batteries out of reach of children and animals. If ingested, seek immediate medical attention.
4. Use only the specified battery size.
5. Always replace the batteries at the same time and be sure to use the same brand and capacity.
6. Remove batteries when depleted or when not in use for an extended period of time.
7. In case of a battery leak, remove immediately. In the event of any direct contact with battery acid, immediately flush the area with a generous amount of water and seek medical treatment.
8. When using the cane, keep a safe distance from heat sources, such as: stovetop, fire, lit candles.
9. Handle the cane with care. Avoid dropping or any aggressive use of the cane.
10. Avoid use in extreme temperatures, fluctuating temperatures, direct sunlight or moisture.
11. Protect the LED light from moisture and wetness.
12. To clean use a soft, damp cloth. Avoid any cleaning solutions or abrasive products.
13. If the cane breaks, do not attempt to repair.
