

By ordering this product from Biotech Accelerated, you understand and agree that:

- This test is being offered with an FDA Emergency Use Authorization, which means that while the laboratory performing this test has validation data to support offering this test and collection kit, neither has been approved or cleared by the FDA.
- This test has been authorized only for the detection of nucleic acid from SARS-CoV-2 (i.e., the COVID-19 virus), not for any other viruses or pathogens.
- This test is only authorized for the duration of the COVID-19 emergency declaration by federal regulators unless the authorization is terminated or revoked sooner. We may modify or cease to offer the test and the test kit upon the direction of state or federal regulators or at our sole discretion.
- You acknowledge that we are not a health care provider and we do not provide medical, health or professional advice. The information available on this site or any linked sites is not a substitute for professional medical advice. You should always seek the advice of your physician or another licensed health care provider with any questions you may have regarding your health.
- You understand that we are not a “covered entity” as defined under the Health Insurance Portability and Accountability Act (“HIPAA”) and that we will not have access to any of your health information if you purchase this test kit. The test kit manufacturer and laboratory that processes the test will have access to your health information. For more information on how they may use your personal information, please go to www.curogram.com/privacy or Please see [Patient FAQ](#) for additional information.
