

LIMITED 5-YEAR WARRANTY

This is the only express warranty for this product. Hudson Home Group, LLC., warrants this product to be free from defects in material and workmanship for single-family household use for five years from the date of original purchase. Ordinary wear and tear including damage to the blade surface is excluded. Use of product for anything other than its intended purpose is also not warranted.

We exclude liability for all consequential damages. Your exclusive remedy is repair or replacement of the nonconforming product, at our option. All liability is limited to purchase price. **All other warranties, including any statutory warranty or condition of merchantability or fitness for a particular purpose, are disclaimed.** You may have legal rights that vary depending on where you live. For repair or replacement, please call with information on your product's proof of purchase and description of the problem.

CARE & USE

6PC CHICKEN PREP SET W/SHEATHS

by TODD ENGLISH

6PC CHICKEN PREP SET W/SHEATHS

Dear Consumer,

Congratulations on your decision to purchase our high quality chicken prep set. Please take a moment to read the care and use instructions provided for you below. Should you have any questions, please feel free to contact our Consumer Care Department at ToddEnglish@hhgllc.com

- Make sure you clean your cutlery as soon as possible after use. Food particles that linger on your knife ware may congeal and become harder to remove as time goes on.
- Do not use any abrasive substances, such as chemical or mineral cleaners, on your chicken prep set.
- Dry thoroughly after washing to avoid water spots developing on the stainless steel.
- The chicken prep set is NOT dishwasher safe. Please hand wash only.

8" Chef Knife:

A large blade used for fast cuts, chopping and slicing meats, fruits and vegetables.

6' Boning Knife:

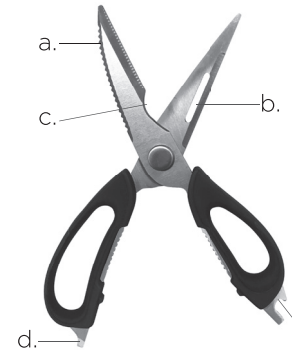

Thin, sharp, flexible knives used to remove the bones and skin from meat and fish. The special curved blade of the knife allows you to work cuts

around joint/bones on meat, allowing for a clean cut. Meanwhile, its flexibility provides you the leverage to make the thinnest cuts possible.

Poultry Shears:

1. The serrated blade prevents slipping when portioning.
2. The plastic/TPR handle provides a comfortable hold and requires little exertion for use.
3. The scissors can be separated into two parts (see diagram) to use in a knife function.
4. The shears can also be used for multi-function: scale scraping, skin peeling, bottle opening and can also be used as a screwdriver and for screwing off tops.
5. The magnetic backing on the sheath allows you to stick shears on the refrigerator, for easy storage.

- Scale Scraper** - rugged scraper easily removes scales from fish.
- Skin Peeler** - helps easily and safely to peel skin from food and meats.
- Durable Scissors** - easily cuts through bone and poultry
- Screwdriver** - flathead screwdriver, used to turn/maneuver screws with slotted heads.
- Bottle Opener** - conveniently opens bottles/tops with less strain.

With the proper use and care, your new Chicken Prep set should give you many years of wonderful cooking experiences.

Sincerely,
