CARE & USE

## 8 PC GLASS STORAGE SET

## 8 PC GLASS STORAGE SET

- To prevent scratching, do not use abrasive cleaners or scrub pads on surface.
- Airtight lids keep the food fresher.
- When placing the lid on the container, make sure all the tabs of the lid are securely snapped down. This will ensure airtight sealing of the goods and prevent excess moisture/air from escaping or getting into the container.
- Make sure the color seals are fully seated in the lid before use.
- Do not place lids in the oven.
- Do not place storage set on the stove top or over a grill.
- Avoid placing set into freezer directly after removing from oven (or vice versa). The dramatic temperature change can alter the product structure and cause damages to the glass.
- This glass storage set is dishwasher safe. Make sure to place on top rack of washer when using.

Dear Consumer,  
Congratulations on your decision to purchase our high quality glass storage set. With proper care, this easy to use and clean storage set should give you many years of use. Please take a moment to read the use and care instructions that follow.

Should you have any questions, please feel free to contact our consumer care department at [ToddEnglish@hhgllc.com](mailto:ToddEnglish@hhgllc.com)

### **When you take it out of the package**

- Wash by hand or on top rack of the dishwasher before use.
- Dispose of packing materials in an environmentally friendly way.
- Remove the plastic film sticking on the lid surface and plastic paper between the lid and glass base before using.

### **Use and care your glass storage set**

- The heat resistant glass container can withstand extreme oven temperatures of up to 1112°F (600°C), as well as freezer temperatures as low as -40°F (-40°C).

**With proper use and care, your new storage set should give you many great storage experiences.**

**Sincerely,**
