Getting Started

- ◆ Before using, remove any labels and wash and dry each item in accordance with the care and use instructions.

Using Your Finger Mitts

- ◆ To use the finger mitts, simply set your thumb into the thumb grip and place other fingers onto the finger pad.

- ◆ Always be sure to grasp the finger mitts firmly during transfer, and use larger potholders or oven mitts when necessary.
- ◆ Always use extreme caution when handling hot cookware and keep out of reach of children at all times.
- ◆ Do not let the Finger Mitts extend over and open flame and never set on top of any cooktop. Doing so may cause the Finger Mitts to become hot or cause damage.
- ◆ Your product is designed to help transfer pans with buffet style handles; we do not recommend attempting to use the product on pots or pans with stick handles.

Cleaning

- ◆ While your product is dishwasher safe, we recommend hand washing with warm soapy water.
