

CARE & USE

4PC GLASS STORAGE JAR SET

4PC GLASS STORAGE JAR SET

Dear Consumer,

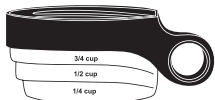

Congratulations on your decision to purchase our high quality Glass Storage Jar set. With proper care, this easy to use and clean storage set should give you many years of use. Please take a moment to read the use and care instructions that follow. Should you have any questions, please feel free to contact our consumer care department at info@hhgllc.com

When you take it out of the package

- Dispose of packing materials in an environmentally friendly way.
- Wash your storage jars in soapy water before use.

How to Use and Care for your glass storage jar set

- The screw-top lid is not only a cap but also a measuring cup with accurate 1/4, 1/2 and 3/4 cup measurements for you to measure your food easily and clearly.

- The ring on the lid gives you an easy and secure grip when measuring.
- Hand wash only for this glass jar set; it is not dishwasher safe.
- The glass jar set is not heat resistant. Do not put the set on the stove top or put it in the oven.
- This glass storage jar set is good for your dry ingredients storage.

With proper use and care, your new storage set should give you many great storage experiences.

LIMITED 2-YEAR WARRANTY

This is the only express warranty for this product. Hudson Home Group, LLC., warrants this product to be free from defects in material and workmanship for single-family household use for two years from the date of original purchase. Use of product for anything other than its intended purpose is also not warranted. We exclude liability for all consequential damages. Your exclusive remedy is repair or replacement of the nonconforming product, at our option. All liability is limited to purchase price. **All other warranties, including any statutory warranty or condition of merchantability or fitness for a particular purpose, are disclaimed.** You may have legal rights that vary depending on where you live. For repair or replacement, please call with information on your product's proof of purchase and description of the problem.
