

The Strop keeps your disposable razors sharp for months by honing and cleaning each blade within the cartridge. Results include:

Mo' Cash

Less Waste

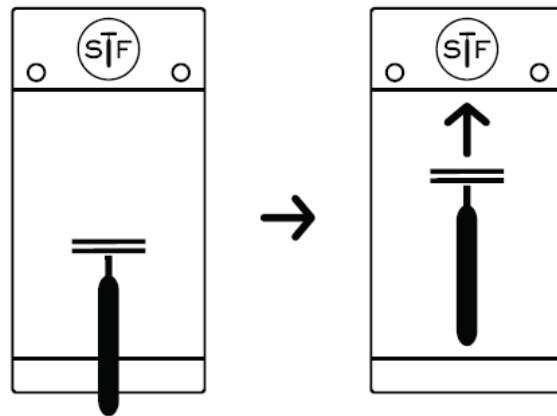

A Better Shave

The Strop rolls up for travel & works with any disposable razor,

Every time before shaving, use a dry razor and:

- 1 Lay Strop flat on counter or hang proudly on your towel rack.
- 2 Holding taut, place blades at bottom of Strop. With the same pressure you use to shave, run the blades UP the Strop (**15x**).

- 3 Enjoy your razor's newfound potential.

Made in the USA.
