Disclaimer

SeaSquad is a trademark name for a family of DIY and repair products that includes a variety of liquid sealant and liquid rubber products intended for home, office, and/or personal use in order to prevent water leaks in buildings, homes and structures. Check your local and state regulations to determine if possession of this product is limited by local laws relating to possession of abrasive or chemical substances in your jurisdiction.

PRODUCT DISCLAIMER AND WARNING: Products containing natural rubber latex and ingredients in this SeaSquad product may cause injury, harm, and/or allergic reactions in some individuals. Products that provide "water resistance" and/or "water protection" do not completely prevent or eliminate the potential for water or liquid intrusion, and are not intended to provide protection in any and all circumstances. Only use this SeaSquad product as directed. Always read and review the full user manual and/or user instructions prior to use of this product.

This product is **FLAMMABLE** and can pose a fire hazard. When using this product, always keep the area clear of fire, anything that is or can light on fire, and do not smoke near this product.

You assume ALL risk of use or misuse of this product. We assume NO liability relating to your use or misuse of this product and/or any injury or death that may result. NO guarantee, express or implied, is attached to this product.

You should always use extreme caution and care when handling any SeaSquad product. Any information or data provided is based upon SeaSquad's current knowledge and understanding of the subject matter and is offered solely as a possible suggestion for use in making your own decisions or product choices. Product users should conduct all appropriate testing or other evaluations to determine the suitability of SeaSquad products for a particular purpose or use within a particular environment.

We assume NO liability from your use of this product in any circumstances. For proper use only. Operate only as directed. Misuse may result in serious injury or death. Proper use does not guarantee a complete protection and may also result in injury and/or death. Always carefully review full instructions and information for use in the operating instructions manual and the packaging prior to use.

Keep out of reach of children at all times. NOT for use by anyone under the age of eighteen (18) years old. No child or minor should ever be left unattended with any of these items, as use or misuse may result in serious injury or death. NEVER ingest the product and do not allow to come into direct contact with body, skin, or hair of humans and/or pets. Contact poison control immediately if ingested.

No claims, warranties, guarantees or representations, whether express or implied, are made by SeaSquad as to the safety, reliability, durability and/or performance of this product. SeaSquad and its corporate affiliates accept no liability whatsoever for the safety, reliability, durability, use, or performance of this product at any time, for any reason, including proper use or misuse of this product.

CAUTION: Keep out of reach of children and supervise children under the age of eighteen (18) at all times if the mirror is affixed the product. NEVER ingest the product and do not allow to come into direct contact with body, skin, or hair of humans and/or pets. Contact poison control immediately if ingested.
