INGREDIENTS

Water, Ammonium Lauryl Sulfate, Cocamidopropyl Betaine, PPG-2 Hydroxyethyl Coco/Isostearamide, Acrylates Copolymer, Butylene Glycol, Carica Papaya (Papaya) Fruit Extract, Propanediol, PEG/PPG-8/3 Laurate, Phenoxyethanol, Citrus Aurantium Dulcis (Orange) Peel Oil, Salicylic Acid, Chlorphenesin, Sodium Hydroxide, Disodium EDTA, Yellow 5, Red 40, Citric Acid

KEY INGREDIENTS

Papaya Leaf Extract (Carica Papaya)

This non-abrasive ingredient is specific to dead cell digestion. It helps soften sebum, gently exfoliates dead cell buildup, and leaves the skin silky smooth.

Salicylic Acid

This ingredient aids in dissolving the top layer of the stratum corneum by virtue of its keratolytic nature. Salicylic acid is derived from the bark of sweet birch and the leaves of wintergreen. It is also known for its antiseptic qualities and is acceptable for use on most skin types, except those allergic to "aspirin" or extremely dry or extra sensitive skin.
