

# EXFOLIATING Repair SCRUB + MASK

## PRODUCT BENEFITS

- ✓ Purifies, polishes, and decongests
- ✓ Promotes brighter, smoother skin
- ✓ Detoxifies pores leaving a more balanced complexion
- ✓ Can be used as a scrub, leave-on mask, or mixed with a cleanser in the shower

## DESCRIPTION

This specialized exfoliating scrub and treatment mask promotes brighter and younger looking skin. Kaolin clay and natural pumice goes straight to work detoxing pores and leaving behind a more clear complexion, while a blend of essential oils, aloe, and herbal extracts brighten the skin.

### SKIN TYPE

- Normal
- Dry
- Oily
- Sensitive
- Combination
- Acne-Prone
- Photodamaged

### SKIN CONCERN

- Acne
- Aging
- Daily Care
- Preventative
- Post Treatment
- Sensitivity
- Sun Damage

## USAGE

To use as a facial scrub, apply a small amount of the clay to clean, dampened skin. Massage lightly with fingertips using circular movements. Rinse thoroughly with warm water. To use as a mask, apply a generous amount to each side of clean, dry skin and spread over face in a thick layer. Let sit for 5-10 minutes, then with pre-moistened fingers, massage to boost exfoliating action. Rinse thoroughly with warm water.

## INGREDIENTS

Water, Kaolin, Aloe Barbadensis Leaf Juice Helianthus Annuus Seed Oil, Pumice, Ethylhexyl Palmitate, Glycerin, Glyceryl Stearate, Cocos Nucifera Oil, Theobroma Cacao Seed Butter, Beeswax, Simmondsia Shinensis Seed Oil Vitis Vinifera Seed Oil, Lemon Essential Oil, Eucalyptus Essential Oil, Clove Essential Oil, Panthenol, Sodium Ascorbyl Phosphate, Dimethyl Sulfone, Magnesium Aluminum Silicate, Sodium Magnesium Silicate, Capsicum Annuum Extract, Hamamelis Virginiana Water, Witch Hazel, Juniperus Communis Fruit Extract, Macrocystis Pyrifera, Kelp Extract, Spirulina Maxima Extract, Cetyl Alcohol, Potassium Stearate, Cellulose Gum, Sodium Carbomer, Phenoxyethanol, Ethylhexylglycerin

## KEY INGREDIENTS

### Kaolin (China Clay)

This soft powder clay is a mixture of various aluminum silicates. It provides excellent coverage and has good absorption abilities for the oil and sweat secreted by the skin. It is easily removed by normal cleansing procedures and is considered a non-comedogenic ingredient.

### Aloe Vera

Aloe has been recognized for many years as being anti-inflammatory. Its effects are soothing and astringent. Aloe is excellent for sensitive skin, rosacea, and dry skin.

### Eucalyptus Essential Oil

Eucalyptus oil has long been considered beneficial for its disinfectant properties and antiseptic action. Eucalyptus fragrance helps promote relaxation and reduces stress.

### Glycerin

Humectant found naturally in skin. Helps maintain the outer barrier and prevent dryness.

### Witch Hazel Extract (Hamamelis Virginiana)

This ingredient is known for its astringent properties. Witch hazel extract is also toning, anti-inflammatory, and regulating. It has a vasoconstrictor effect that is excellent for inflamed, irritated, or acneic skin conditions.
