- A soft foaming cleanser featuring Prebiotics, Probiotics and Kombucha
- Gently and thoroughly cleans the skin
- Helps maintain microbiota on the skin for balance and diversity
- Prebiotics help support probiotics on the skin to keep it younger looking and visibly strong
- Features probiotic Lactobacillus (freeze dried) to help nourish and balance the skin's appearance

### CB Microbiome Pre/Probiotic Cultured Facial Cream

- A skin comforting moisture cream featuring Pre-biotics and Pro-biotics
- Helps the skin against environmental stressors
- Helps support skin microbiota balance and diversity
- Prebiotics helps support probiotics on the skin to keep it younger-looking and visibly strong
- Features probiotic Lactobacillus (freeze dried) to help nourish and balance the skin's appearance
- Consumer Perception Study:
- Clinically tested on 30 participants with sensitive skin using the MICROBIOME Pre & Probiotic CULTURED FACIAL CREAM once daily for 30 days.
- 100% of the participants reported their skin was stronger and less fragile
- 100% of the participants reported their skin felt healthy and nourished
- 100% of the participants reported their skin was moisturized without any irritation
- 100% of the participants reported their skin was hydrated and reinforced
- No one experienced any skin ruddiness or irritation
- 96.67% of the participants reported their skin looked radiant
- 93.33% of the participants reported a balanced look to their sensitive skin
- 90% of the participants reported their skin has not felt this calm or comfortable in years
- Shown to have visible optimal illuminating action, improving the skin's luminosity index by 12.16% after 30 minutes after first application and by 18.22% after 30 days of once daily use.

### CB Microbiome Pre/Probiotic Facial Concentrate

- Features Acetyl Heptapeptide-4 (FENSEBIOME peptide) to help support the moisture barrier and revitalize sensitive skin
- Helping to support skin against environmental stressors.
- Supports healthier-looking skin and reinforces skin's moisture barrier
- Optimizing microbiota balance and diversity to maintain skin's moisture barrier
- Prebiotics helps support Probiotics on the skin to keep it younger-looking and visibly strong
- Features probiotic Lactobacillus (freeze dried) to help nourish and smooth the appearance of the skin surface
- Helps skin feel more comfortable
- Gel consistency
- Consumer Perception Study:
- In consumer perception study on 30 participants with sensitive skin using the MICROBIOME Pre & Probiotic ALIVE Facial Concentrate daily 30 days:
- 100% of the participants reported their skin felt calm and comfortable
- 100% of the participants reported their skin felt moisturized
- None of the participants experienced any skin ruddiness or irritation
- 96.67% of the participants reported a noticeable increase of plump hydration
- 96.67% of the participants reported their skin looked calm and balanced
- 93.33% of the participants reported that their skin appeared more firmed and toned

- 90% of the participants reported their skin felt more resilient and elastic.
- 9.17% reduction of visible wrinkles and imperfections 15 minutes after first application
- 21.50% reduction of visible wrinkles and imperfections after 30 days of twice daily use

### **CB Microbiome Pre/Probiotic Treatment Mask**

- A skin comforting treatment mask featuring Pre-biotics and Pro-biotics
- Features a soft, silky pulling clay
- Helps skin against environmental stressors
- Helps support skin's microbiota balance and diversity
- Prebiotics helps support probiotics on the skin to keep it younger-looking and visibly strong
- Features probiotic Lactobacillus (freeze dried) to help nourish and balance the skin's appearance

### **CH Probiotic Comprehensive Multi-strain Complex**

- CONSULT HEALTH'S PROBIOTICS are a comprehensive, high potency, multi strain blend of ten established, beneficial probiotic strains, delivering an exceptional 10 Billion Colony Forming Units (CFU) per capsule to help populate a healthy microbiome, promote a healthy gut and to help ease gas and bloating for overall intestinal health.
- 10 Different, carefully selected varieties of established, beneficial microflora to ensure the essential benefits of these remarkably healthy good bacteria
- Probiotic means "for life"
- A person's body contains trillions of live bacteria, viruses, fungi and protozoa. All these microorganisms - collectively known as the microbiome- play a critical role in supporting your health.
- Our digestive system has its own microbiome and is home to billions of bacteria both good and bad.
- It is well established that the microbiome in our gastrointestinal tract play a vital role in promoting healthy digestion, including nutrient absorption and regularity.
- Maintaining a proper balance of our microbiome is also essential to healthy immune system function as well as to our mood and comfort
- 70% - 80% of the body's immune cells are found in the gut.
- It is imperative to optimize the dynamic equilibrium of the gut microbiome to help support a healthy immune system
- Each person has their own, unique microbiome which changes throughout a person's life based on their age, diet, lifestyle and exposure to different environmental influences
- This important balance can be further disrupted by medications that affect the digestive system and its pH balance, such as antacids or antibiotics, which can entirely wipe out the healthy bacteria from our microbiome.
- Introducing good bacteria through supplementation can help promote balance and optimize good health throughout the body.
- 10 Billion Colony Forming Units per capsule.
- These capsules contain absolutely no gluten, artificial colors or flavors, sugar, lactose, or dairy. Formulated in USA

## How To Use

- **CB Balancing & Restoring Foaming Facial Wash:** HOW TO USE: Dispense two to three pumps of foam onto clean fingertips, massage onto damp skin and rinse off with clean water. Avoid direct eye contact. For external use only.
- **CB Microbiome Pre/Probiotic Cultured Facial Cream:** Smooth onto freshly cleansed skin or can be used on top of a serum or concentrate. Gently massaging until fully absorbed. For external use only.
- **CB Microbiome Pre/Probiotic Facial Concentrate:** Apply to freshly cleansed and dried skin. Gently massaging until fully absorbed. Follow with Consult's Cultured Facial Cream (sold separately) if more moisturization is needed. For external use only.
- **CB Microbiome Pre/Probiotic Treatment Mask:** HOW TO USE: Apply a thin layer to freshly cleansed & dried skin. Spread evenly across your face and neck, avoiding your immediate eye area. Leave on for about 10 -15 minutes. To remove, re-moisten with damp fingertips and gently massage off. Splash clean with water. Use at least 2 to 3 times per week. Avoid direct eye contact. For external use only.
- **CH Probiotic Comprehensive Multi-strain Complex:** Take 1 Capsule Daily With or Without Food

### Average Days of Supply:

- **CB Microbiome Pre/Probiotic Cultured Facial Cream:** 30
- **CB Microbiome Pre/Probiotic Facial Concentrate:** 30
- **CH Probiotic Comprehensive Multi-strain Complex:** 60

## Ingredients

**CB Balancing & Restoring Foaming Facial Wash:** INGREDIENTS: AQUA (WATER), ALOE BARBADENSIS LEAF JUICE POWDER, GLYCERIN, DISODIUM LAURETH SULFOSUCCINATE, COCAMIDOPROPYL BETAINE, DISODIUM COCOAMPHODIACETATE, PEG-6 CAPRYLIC/CAPRIC GLYERIDES, POLYMNIA SONCHIFOLIA ROOT JUICE , SACCHAROMYCES/XYLINUM/BLACK TEA FERMENT, OLEA EUROPAEA (OLIVE) FRUIT OIL, CORYLUS AVELLANA (HAZEL) SEED OIL, PRUNUS AMYGDALUS DULCIS (SWEET ALMOND) OIL, ARGANIA SPINOSA KERNEL OIL, ALPHA-GLUCAN OLIGOSACCHARIDE, LACTOBACILLUS, MALTODEXTRIN, PANTHENOL, TOCOPHEROL, TOCOPHERYL ACETATE, BIOTIN, SODIUM LAURYL SULFOACETATE, LACTIC ACID, PEG-120 METHYL GLUCOSE DIOLEATE, GUAR HYDROXYPROPYLTRIMONIUM CHLORIDE, HYDROXYETHYLCELLULOSE, POLYQUATERNIUM-10, BENZOPHENONE-4, HEPTYL GLUCOSIDE, SORBITOL, HEPTANOL, SODIUM CHLORIDE, SODIUM CITRATE, DISODIUM EDTA, CITRIC ACID, PARFUM (FRAGRANCE), PHENOXYETHANOL, SODIUM BENZOATE, POTASSIUM SORBATE.

**CB Microbiome Pre/Probiotic Cultured Facial Cream:** AQUA (WATER), DICAPRYLYL ETHER, GLYCERIN, SIMMONDSIA CHINENSIS (JOJOBA) SEED OIL, SUCROSE POLYSTEARATE, ALPHA-GLUCAN OLIGOSACCHARIDE, BEHENETH-25, PENTAERYTHRITYL DISTEARATE, HYDROGENATED POLYISOBUTENE, SODIUM POLYACRYLATE, POLYMNIA SONCHIFOLIA ROOT JUICE, TRITICUM VULGARE (WHEAT) GERM OIL, LACTOBACILLUS, SYNTHETIC FLUORPHLOGOPITE, TOCOPHERYL ACETATE, CAPRYLYL GLYCOL, MALTODEXTRIN, ISOPROPYL MYRISTATE, TIN OXIDE, BHT, DISODIUM EDTA, ETHYLHEXYLGLYCERIN, PARFUM (FRAGRANCE), PHENOXYETHANOL, TITANIUM DIOXIDE (CI 77891).

**CB Microbiome Pre/Probiotic Facial Concentrate:** AQUA (WATER), GLYCERIN, ALPHA-GLUCAN OLIGOSACCHARIDE, BUTYLENE GLYCOL, POLYMNIA SONCHIFOLIA ROOT JUICE, SODIUM HYALURONATE, LACTOBACILLUS, ACETYL HEPTAPEPTIDE-4, HYDROXYETHYLCELLULOSE, HEPTYL GLUCOSIDE, MALTODEXTRIN, CAPRYLYL GLYCOL, DIPOTASSIUM GLYCYRRHIZATE,

HEPTANOL, SODIUM HYDROXIDE, PARFUM (FRAGRANCE), PHENOXYETHANOL, IMIDAZOLIDINYL UREA.

**CB Microbiome Pre/Probiotic Treatment Mask:** INGREDIENTS: KAOLIN, AQUA (WATER), GLYCERIN, MAGNESIUM ALUMINUM SILICATE, XANTHAN GUM, FUCUS VESICULOSUS EXTRACT, AHNFELTIOPSIS CONCINNA EXTRACT, POLYMNIA SONCHIFOLIA ROOT JUICE, SODIUM HYALURONATE, SOLUBLE COLLAGEN, MARIS SAL (SEA SALT), SALICYLIC ACID, TOCOPHERYL ACETATE, ALPHA-GLUCAN OLIGOSACCHARIDE, ASCORBYL TETRAISOPALMITATE, LACTOBACILLUS, GLUCOSE, MALTODEXTRIN, CONDURUS CRISPUS (CARRAGEENAN), BUTYLENE GLYCOL, CAPRYLYL GLYCOL, SODIUM PCA, DIPOTASSIUM GLYCYRRHIZATE, SILICA, SODIUM DEHYDROACETATE, POLYACRYLAMIDE, LAURETH-7, 1,2-HEXANEDIOL, C13-14 ISOPARAFFIN, TROPOLONE, SODIUMHYDROXIDE, ETHYLHEXYL GLYCERIN, PARFUM (FRAGRANCE), PHENOXYETHANOL, CHLORPHENESIN, CI 77007 (ULTRAMARINES).

**CH Probiotic Comprehensive Multi-strain Complex:** BIFIDOBACTERIUM BIFIDUM, LACTOBACILLUS ACIDOPHILUS, BIFIDOBACTERIUM LONGUM, LACTOBACILLUS CASEI, BIFIDOBACTERIUM BREVE, LACTOBACILLUS RHAMNOSUS, LACTOBACILLUS PLANTARUM, LACTOBACILLUS PARACASEI, STREPTOCOCCUS THERMOPHILUS, LACTOCOCCUS LACTIS. Other Ingredients: Hypromellose (Veg Capsule), Maltodextrin, Inulin, Magnesium Stearate, Silica, Ascorbic Acid, No Gluten, Artificial colors or Flavors, Sugar, Lactose or Dairy
