

# Joyce Giraud Moisture and Shine Essential Hair Kit

324-316

## How to Use:

**Moisture and Shine Shampoo:** Apply product to wet hair and scalp. Massage gently until smooth lather is formed. Rinse and repeat if necessary. Follow with Joyce's Nourishing Conditioner.

**Moisture and Shine Conditioner:** After shampooing, work a liberal amount of conditioner through hair 2 inches from scalp to ends. Leave on 1-2 minutes, then rinse thoroughly and enjoy beautiful, nourished hair.

**Miracle Elixir Hair Mask:** After cleansing with Joyce's Miracle Shampoo and rinsing thoroughly, rub a generous amount into clean, wet hair from roots to end for 2 minutes. If desired, for longer-lasting results, or as an intense treatment, cover your head with a cap or towel 2-5 minutes. You can also use Joyce's mask as an overnight treatment for maximum results. Rinse thoroughly and style as desired.

**Leave in Miracle Treatment:** Liberally spray all over clean-damp hair & brush through gently. Do not rinse out. Style as desired or let your strands air dry.
