## **Features**

### **All-in-One THE Cream**

Isomers THE Cream is a true multi-tasker anti-aging cream combining key moisture-restorers that were used in our Hydra Protect Dream Cream and the restorative and rejuvenative ingredients that were used in our Hydra-Fix Rejuvenating Cream. This new formulation incorporates the superior science of two new additional ingredient technologies.

- Reduction of main wrinkle depth and volume (skin is smoother)
- Reduction of roughness (skin is softer)
- Reduction of complexity (skin is firmer - more lifted)
- Increase in skin tone (skin looks firmer, more lifted)
- Improved skin brightness and luminosity - skin looks more invigorated
- Helps support the skin and keeps it smoother and younger looking without dryness.

### **Double Duty Cleanser**

Double Duty Cleanser is a one-step skin cleanser, designed to help clean the skin surface without stripping or drying. This non-foaming creamy skin wash is suitable for all skin types.
