

SafetyVital

SOLAR POWERED *SIMULATED CAMERA

USER MANUAL

*This camera does not have any recording functions. This is a simulated camera designed to decoy possible intruders.

HOW TO OPERATE

- 1) Insert two AA batteries (not included) into the battery compartment of the camera. During the day when exposed to sunlight, solar energy will power the camera; at night, the batteries will power the camera.

- 2) The red LED light will flash every 2 seconds.

- 3) Apply the included "Warning 24 Hour Surveillance" sticker to a conspicuous wall/surface in the vicinity of the camera.

HOW TO INSTALL

- 1) It is recommended to install the camera on a wall or solid surface. Align the mounting base of the camera to your selected surface and mark the area.
- 2) Drill holes into the marked area and use the included screw accessories to secure the camera.
- 3) Rotate the bracket to set the camera at the desired position.

SOLAR POWERED *SIMULATED CAMERA

USER MANUAL

*This camera does not have any recording functions. This is a simulated camera designed to decoy possible intruders.

WARNING

- 1) Keep out of reach of children at all times. Not for use by anyone under the age of eighteen (18) years old.
- 2) Do not expose the camera to extreme temperatures.
- 3) Always use a soft dry cloth to clean the camera.
- 4) Avoid dropping the camera, as doing so may damage the device.
- 5) Only install and place the camera in law-abiding locations.
- 6) Do not tamper with the solar panel or simulation power cords.

1-YEAR LIMITED LIFETIME WARRANTY

Your SafetyVital Solar Powered Dummy Camera is backed by a one-year limited lifetime manufacturer's warranty. SafetyVital will repair or replace your device within one year after purchase should it fail due to a manufacturer defect (subject to the certain limitations).

This one-year limited warranty does not cover any damage that results from unauthorized or improper use, service, or repair. Further, it does not cover damage caused by accident, impact, negligence, or normal wear and tear. Should you discover your SafetyVital Solar Powered Dummy Camera is not functioning properly, please send your device to our repair center for evaluation. If your product cannot be repaired or serviced, we will reserve the right to change it for a similar or newer model.

Please note that a flat rate of \$35.00 will be charged to cover a service evaluation fee and return shipping of your device. All warranty claims must be accompanied by a copy of your proof of purchase from an authorized retailer. Please send your device, proof of purchase, and a check or money order in the amount of \$35.00 made out to SafetyVital to:
