1. Gently tap the power touch sensor to turn the device on/off.
2. Adjust the arm and lamp head to direct and angle light in the desired area.
3. Adjust brightness levels between low, medium or high by tapping the touch sensor power button.
4. After turning the device off, fold your lamp for easy portability and relocate to your desired location.

WARRANTY

1-Year Limited Manufacturer's Warranty

Your SafetyVital product is backed by a one-year limited manufacturer's warranty. For a period of one year following date of purchase, SafetyVital will repair or replace your device should it fail due to a manufacturer's defect (subject to certain limitations such as, but not limited to, use of the device as directed or performing the intended function during which the product may become damaged).

This one-year limited warranty does not cover any damage that results from unauthorized or improper use, service, or repair. Further, it does not cover damage caused by accident, intended function and use as directed, negligence, or normal wear and tear. Should you discover your SafetyVital product is not functioning properly, please send your device to our repair center for evaluation, at the address listed below. If your product cannot be repaired or serviced, we reserve the right to exchange it for a similar or newer model.

Please note that a flat processing fee of \$10.00 will be charged to cover the service evaluation and return shipping of your device. All limited warranty claims must be accompanied by a copy of your proof of purchase from an authorized retailer. Please send your device, proof of purchase, and a check or money order in the amount of \$10.00 made out to SafetyVital to:

Address:

SafetyVital
3069 Taft Street
Hollywood, FL 33021
