## 4-IN-1 EMERGENCY TACTICAL FLASHLIGHT

### USER MANUAL

#### WARNING:

This flashlight is a lighting device, long hours of use will cause heat output. To ensure this product provides its intended use, please carefully read the warnings and suggestions:

1. Keep out of reach of children. Children under the age of 18 need adult supervision when using this product.
2. Do not light the flashlight directly on human or animal eyes.
3. Do not use without the protection of lithium batteries.
4. For long storage time and during transportation, please remove the battery.

#### PRODUCT FEATURES

- Glass window breaker
- Seatbelt cutter blade
- Magnet on head for hands-free use
- Three built-in light modes
- The maximum output of 180 lumens
- Diamond cut design for a better non-slip grip
- Smooth reflective glass lens coating
- Army Regulation-level aluminum material
- Compact and lightweight, suitable for everyday use
- For long storage time and during transportation, please remove the battery.

#### CLEANING INSTRUCTIONS:

Use a soft dry cloth to clean your Tactical Flashlight.

#### HOW TO USE:

1. Unscrew the bottom cover and insert 3xAAA batteries. Screw cover back on and make sure it is securely tightened.

2. To use the LED lights press the switch once to turn on the regular LED flashlight. Press the switch two times to turn on the bright LED light on the handle. Press the switch three times to turn on the red light with SOS function.

3. To use glass breaker firmly grab the flashlight by its handle and strike the glass with the glass window breaker tip. Please use extreme caution when using this tool. Use only for its intended purpose.

4. Use the seatbelt cutter blade section of this tool in the event of an emergency where you are trapped by your seatbelt. Make sure the cutting motion is in the direction away from your body.

5. For hands-free use of the flashlight or easy storage, place the magnetic head side on any metallic surface.

#### WARRANTY:

##### 1-Year Limited Manufacturer's Warranty

Your SafetyVital product is backed by a one-year limited manufacturer's warranty. For a period of one year following date of purchase, SafetyVital will repair or replace your device should it fail due to a manufacturer's defect (subject to certain limitations such as, but not limited to, use of the device as directed or performing the intended function during which the product may become damaged). This one-year limited warranty does not cover any damage that results from unauthorized or improper use, service, or repair. Further, it does not cover damage caused by accident, intended function and use as directed, negligence, or normal wear and tear. Should you discover your SafetyVital product is not functioning properly, please send your device to our repair center for evaluation, at the address listed below. If your product cannot be repaired or serviced, we reserve the right to exchange it for a similar or newer model. Please note that a flat processing fee of \$10.00 will be charged to cover the service evaluation and return shipping of your device. All limited warranty claims must be accompanied by a copy of your proof of purchase from an authorized retailer. Please send your device, proof of purchase, and a check or money order in the amount of \$10.00 made out to SafetyVital to:
